Gary,

I apologize for this, but late yesterday I received a new itinerary for trip next week. They completed flipped the schedule for the 25th. I will now be tied up after 10:30 am CDT. Is it possible to have the call at 8:00 or 9:00?

Earl

Sounds good.

Gary - 3:00 CDT on 6/25 works for everyone, so I'll send a meeting invite out. I'll actually be in Dallas at EPA that morning, so I might participate in person with you while I'm there if that works for you.
